

THE EDY TROPHY 2017-2018

(Stage 1: 'Round Robin' Groups)

All your 'Round Robin' Group Stage matches are to be played, over 18 completed holes, between Monday, 6th November, 2017 and Sunday April 1st, 2018. It is recommended that one game, *at least*, should be completed before the end of this year.

Please read the Full Conditions of Competition carefully and please note, particularly, that even if you should find yourself in a position whereby your own Pair *cannot* qualify for the Knockout Stage, it is still incumbent upon you to play *all* of your remaining Matches - in fairness to all Pairs in your Group - and to try achieve the very best result you can in each Match.

Please do not fill in the Match results. Instead, please simply complete a 'result slip', signed by one player from each side, and place it in the Competitions Box.

The **Winners & Runners up** of each group will progress to the Stage 2 'Knockout' phase. Again, please, read the detailed Conditions of Competition for more on 'tie-break' procedures etc.,
Good luck!
