ROUNDS: Entrants must play Round 1 on the first designated weekend and then play their 'Round 2' on the *second* designated weekend.

Entrants may freely choose to play their own 'Round 1' on *either day of the first weekend* and then again to play their 'Round 2', on *either day of the second weekend*. [So you might play, for example: Sat / Sat, Sun / Sun, Sat / Sun or Sun/ Sat as you prefer.]

n.b., But, Entrants may NOT play both Rounds on the same weekend.

THE SCRATCH CUP: The player returning the lowest Gross Score over 36-holes will win 'The Scratch Cup' and will be recognised as the '**Club Champion**'.

THE CLUB CUP: The player returning the lowest Nett Score, for the 36-holes, will win 'The Club Cup'. A player may win both the Scratch & Club Cups!

TEES: White Blocks only.

TEEING GROUND: Each round **MUST** *start from the 1st Teeing Ground only*, for both the first and the second Rounds. Neither Round may start from the 5th., or the entrant will be DQ'd.

ELIGIBILITY: All Men & Student Members of the Club, holding a CONGU Handicap & who have played in at least two handicap qualifying events in the previous 12 months.

HANDICAP LIMITS FOR ENTRY : 32

HANDICAP ALLOWANCES: For the purposes of determining the lowest Nett Score [Club Cup], all entrants will receive their FULL PLAYING HANDICAP allowance, *as was operative at the start of their **first** round, for both rounds.* [i.e. For Result purposes only, no adjustment to a player's Handicap Allowance will be made 'between' play of the two rounds.]

[But, a player's personal Handicap Record will be adjusted 'normally' - for handicap adjustment purposes - after completion of each round.]

TIE-BREAK PROCEDURES:

1. In the event of a tie for 'The Scratch Cup', a play-off competition will be held, on a date to be arranged by the H'Caps & Competitions Committee, to be played under Stroke Play conditions, over three holes [Holes 5, 6 and 9]. If then there is still a tie, a 'sudden death' play-off, still under Stroke Play conditions, will be played over holes 1, then 9 if necessary, repeating [1-9] until a single 'winner' is determined.

2. In the event of a tie for 'The Club Cup', a card 'count-back' comparison of the nett scores for the *last* 9 holes of the tied-player's **2nd** rounds and then, if still a tie, the last 6, and if still a tie the last 3, last 2, then the last hole, will determine the winner.

Only if thereafter still tied, a card count back comparison of the first 9, first 6, etc., will be used to resolve the tie.

[If even then still tied... then the above tie-break process will be re-applied but using the respective players' **1st** round scores.]

NOTE: The Winners of 'The Scratch Cup' & 'The Club Cup' will jointly pick a Club Team to play the Captain, Committee and the Vice-Presidents.

N.B. PRACTICE:

1. No entrant shall practice on the Course on the same day on which he is to play either of his competition rounds and before he actually does so.
